Seminary Accreditation

In line with the goal towards globalization, the Seminary has applied for membership with the Association for Theological Education in South East Asia (ATESEA), and is actively preparing for the upcoming accreditation in November.

Upgrading Opportunity

In order to provide for upgrading opportunities to pastoral workers who are actively involved in the ministry, the Seminary has done a field study and curriculum planning for this new program.

New TEE Director

Rev. Wang Wei Qiang is the new director of the Theological Education by Extension (TEE) starting on January 1.

Academic Affairs

The Seminary is offering many missions courses this new semester. Rev. Scott Powell will be teaching the course "Missions and People Groups." Dr. Justice Anderson, will be teaching the course "Cross-cultural Communication of Christianity" in April. Dr. Faye Pearson will be teaching the course "Women in Missions" in March and April.

Youth Evangelistic Meeting

We give thanks for the friendship evangelism with 63 students of the George Vocational School of Taipei last November 5. This Youth Evangelistic Meeting was a joint project of the Seminary with the Da-An Peniel Church led by Rev. John Hsu, the incumbent alumni president.

We thank God for Bro. Lin of Shipai Baptist Church. The little pig in the picture above has been "adopted" by his whole family and given as a gift to the seminary at the end of the year.
